What is an annual mail-in ballot request?

If you indicate you would like to be added to the annual mail-in ballot request list, you will receive an application to renew your request for mail-in ballot each year. Once your application is approved, you will automatically receive ballots for the remainder of the year and you do not need to submit an application for each election.

If you update your voter registration due to relocation out of county after you submit an annual mail-in ballot request, please ensure your annual status is transferred when updating your address.

WARNING: If you receive a mail-in ballot and return your voted ballot by the deadline, you may not vote at your polling place on election day. If you are unable to return your voted mail-in ballot by the deadline, you may only vote a provisional ballot at your polling place on election day, unless you surrender your mail-in ballot and the return envelope containing the Voter's Declaration to the judge of elections to be voided to vote by regular ballot.
